Harmony House

和諧之家的賽馬會和諧一心家暴防治中心於2007年開始積極宣傳和推行多元化服務，並加強與不同團體及組織的連繫，藉以拓展預防家暴網絡。在介入層面方面，和諧之家透過與不同組織、學校、商戶及本區社會福利機構成為「策略合作伙伴」，透過出席會議、簡介會、地區推廣、講座及工作坊，以及共同舉辦活動，並且透過不同媒體，宣揚零容忍家庭暴力以及和諧家庭的訊息，藉此提供社會資源以及鼓勵受家暴傷害的婦女主動求助。

The Jockey Club Harmony Link Domestic Violence Prevention Centre of Harmony House has been actively promoting and carrying out integrated services addressing the issue of domestic violence since 2007. Liaison with different groups and organizations has been developed in order to build a consolidated network for domestic violence prevention. Strategic partnerships have also been established with different organizations, schools, local shop tenants and NGOs. Through various activities including meetings, briefings, district promotions, talks, workshops and joint programmes, as well as articles in the media, the project promotes the message of "Zero Tolerance to Domestic Violence", provides community resources, and encourages victims of domestic violence to proactively seek help.
