

「女青和諧之旅」關注家暴計劃

“HKYWCA Harmony Journey – Concern for Domestic Violence” Scheme

香港基督教女青年會

Hong Kong Young Women's Christian Association

計劃旨在應用多元化及創新手法，提昇婦女預防家庭暴力的能力。計劃首先透過「和諧學堂」加強參加者對家庭暴力的認識，培育了超過120名不同年齡的「和諧大使」，繼而在家庭、學校及社區透過「和諧社區服務」及「一人一故事劇場教育」向兒童、青少年、婦女及長者等推動「家暴零度容忍」的訊息。參加者其後成立「家暴關注組」，積極關注及就《家庭暴力條例》的修訂發表意見，以及倡議更為「婦女友善」的家庭暴力政策。

The project aimed at using diversified and innovative means to strengthen women's ability in preventing domestic violence. The Harmony Classroom educated participants on domestic violence and trained 120 Harmony Ambassadors of different ages. They promoted the message of “Zero Tolerance” through the Harmony Services and the Innovative Dynamic Playback Theatre to children, youths, women and the elderly in homes, schools and the community. Later, participants established the DV Concern Group, which expressed concerns on the proposed amendments of the Domestic Violence Ordinance, and advocated for a “women friendly” domestic violence policy.
