觀塘婦女聯會對推動國民教育活動深感責無旁貸，期望提升婦女對國家歷史及近代發展的認識，遂與多個團體合辦了《中國近代發展系列》國民教育課程，邀得內地著名學者來港主持講座。本會推薦了數十位婦女參加，參加者均表示這是一次難得的學習機會，對國情的了解增進不少。

To promote national education and enrich women's knowledge of China's history and modern development, Kwun Tong Women's Association collaborated with a number of organisations and arranged a National Education Course - "The Development of Modern China Series". Famous scholars from the Mainland were invited to Hong Kong to give lectures. Dozens of women were nominated by the Association to take part in this event. They all agreed that this was a golden learning opportunity which had enhanced their understanding of the conditions in China.
