「戲說晴天」話劇小組由義工組成，以「一人一故事」的即興劇場表演形式，讓婦女滿足個人興趣之餘，又可透過觀眾分享，產生共鳴並把內心情境、感受呈現出來，讓觀眾能得以明白及理解，同時婦女義工亦可重新經歷自己的內在情緒、內心世界，藉此達致助人自助的目的。

Sunny Drama Group, formed by volunteers, arranges playback performances for women. In a playback theatre, participants are able to share their inner feelings with the audience. This activity can allow the audience to have a better understanding of women's views; while women volunteers can at the same time reflect on their spiritual mind and inner world. The purpose of helping others and themselves is therefore attained.
