

Funding Scheme for Women's Development (Women's Commission Stream)

Detailed Payment Arrangements

1. Advance Payment

- (a) To assist the funded organisation in meeting the initial outlay of a project and cash flow requirements, Women's Commission (WoC) may, prior to the implementation of the project, consider that a single advance payment of not exceeding 30% of the total approved funding amount be made to the funded organisation upon written application. In receiving the advance payment, the authorised person of the funded organisation will be required to sign an undertaking at Appendix I. If the funded organisation has applied/is applying for funding from sources other than the Scheme, advance payment will be arranged after the funded organisation notified the result of relevant application and upon written notification made to WoC.
- (b) WoC will monitor the progress of the projects upon release of an advance payment and remind the funded organisation to clear the advance payment by submitting certified official receipts¹ to account for the expenditure incurred as early as practicable.
- (c) If, subsequent to the receipt of the advance payment, the project has not been held or was delayed beyond the scheduled implementation date, the funded organisation will be required to return the advance payment to the HKSAR Government immediately unless it can provide acceptable explanations to WoC and is accepted by WoC.

2. Partial Reimbursements

Irrespective of whether it has received an advance payment, the funded organisation may apply for up to **one partial reimbursement** of the funding before the completion of the project. The amount of funding to be given out for each project prior to its completion should not exceed 90% of the total approved funding amount. In applying for reimbursement, the funded organisation should submit an up-to-date financial report (see paragraph 5 below) together with supporting receipts duly certified correct by the authorised person of the funded organisation or officer-in-charge of the project for checking purposes.

¹ A receipt submitted for reimbursement purposes must bear the date of purchase and full description of the individual expenditure items. Otherwise, supporting documents such as invoices and billing statements showing the aforesaid details are to be submitted to supplement the receipt.

3. Final or One-off Reimbursement

One-off reimbursement of funding, or the balance of funding where advance payment or partial reimbursement have been made, will be given to the funded organisation on completion of the project. To apply for final or one-off reimbursement, the funded organisation must submit the financial report (see paragraph 5(a) below) with all supporting receipts¹ and a project final report to WoC for processing **within one month after the completion of the project or by the designated date**. For projects with approved funding exceeding \$100,000, the funded organisation shall submit, in conjunction with the project final report, a financial report with the accounts audited by an independent Certified Public Accountant (“CPA”) (see para 5(b) below). The amount of advance payment, reimbursement and expenditure incurred should be completely and accurately recorded in the financial report. Reimbursement will be made when all reports (see paragraph 64 of the Funding Guidelines) are accepted by WoC.

4. Handling of Cheque

Payment of funding to the funded organisation will be made in form of cheque. The cheque shall be payable within 6 months from the date of issuance. Upon receipt of the cheque, the funded organisation should cash the cheque as soon as practicable. If the cheque is not cashed within 6 months from the date of issuance, WoC will cancel the cheque payment automatically without prior notice to the funded organisation. If the funded organisation intends to re-issue the cheque, the funded organisation should submit application in writing within the same financial year. Otherwise, WoC or LWB will not be responsible in connection with the stale cheque.

5. Financial Report

- (a) The format of the financial report referred to in paragraphs 2 and 3 above are at Annex G. The funded organisation is required to submit the original copy of the supporting receipts for the expenses incurred together with the financial report to WoC. For avoidance of doubt, irrespective of whether the items are funded under the Scheme, receipts¹ are required for all items shown on the financial report unless otherwise specified.
- (b) A specimen of the auditor’s report is at Annex H (the specific procedures mentioned in items (1) to (3) of the first paragraph and the relevant report findings in items (a) to (c) of the second paragraph of Annex H must be included in the auditor’s report and should not be amended). All receipts related to the expenditure of the Scheme, if not submitted to WoC for reimbursement purposes, should be kept by the funded organisation properly for five years after the completion of the project for WoC’s inspection as and when necessary.
