

WOMEN'S COMMISSION

Healthcare Reform Second Stage Public Consultation

The Food and Health Bureau (FHB) issued “My Health My Choice – Healthcare Reform Second Stage Consultation Document” on 6 October inviting views from the public on the document. A full set of the public consultation document was issued to Members on 15 October.

2. Representatives from FHB have been invited to introduce the Government’s proposals on the healthcare reform at the Women’s Commission meeting of 25 November. To facilitate Members’ discussion, the executive summary of the consultation document and a brochure are extracted at **Annex A** and **Annex B** respectively.
